# Village of Wales

# Fall 2014

Facebook is  
Coming to the  
Village

The Village will be starting a Facebook page in the coming months. We will be able to get information out to our residents and followers more quickly and efficiently. Make sure to "Like" our page.

## Christmas in Wales

Mark your calendars for Christmas in Wales on December 13, 2014. Enjoy the FREE holiday event to be held from 11:00 a.m. – 2:00 p.m. Area businesses and residents will again be sponsoring a Christmas event in downtown Wales. We will have pictures with Santa along with a number of other activities and events. For more information or to see how you can help make this event a memorable one, please contact Dan Hahn at U.S. Bank in Waukesha at 262-993-8653 or visit [www.christmasinwales.org](http://www.christmasinwales.org). Thanks and Happy Holidays

## A Message From the President: By Jeffery Flaws

Beginning in November the Village will be constructing the next phase of the sanitary sewer project serving businesses along Highway 18, the two schools and the Lincolnshire residential development. This phase, located adjacent to the Kwik Trip at 18 and 83, will entail the construction of the lift station that will send effluent to the city of Waukesha for treatment. The final phase will involve the collector pipers and force main, with completion by the end of 2015.

Construction on the Highway 83 project will continue this year as long as weather permits, with the installation of a temporary roundabout at Highways 18 & 83 allowing construction of a permanent one to proceed inside it. Please keep safety in mind as you navigate the construction zone and the temporary roundabout this fall and winter.

As always, we will continue to use this newsletter, the Village's website, the coverage of Village activities as reported in the *Kettle Moraine Index*, and the postings of our various agendas to keep you informed as 2014 ends and 2015 progresses. And of course, if you have any questions, comments or concerns please contact the Village Hall as indicated elsewhere in this issue.

## The 6<sup>th</sup> Annual Chili Cook-Off to Benefit Local Food Pantries

This marks the 6<sup>th</sup> year of the Municipal Chili Cook-off. It will be held on Sunday, November 9, 2014, from 2:00 p.m. to 4:00 p.m. at the Kettle Moraine High School. Entries from Wales and surrounding Villages, Towns and Cities can be sampled and voted on. Come vote for your community, clerk, elected official or municipal employee. Food and proceeds from this event will be donated to local food pantries to help feed families in need this holiday season. Please join us for an afternoon of fun. Admission to the event is 2 or more nonperishable food items or a cash donation and will allow tasting all entries. Baked goods and beverages will be available for purchase. The Packers don't play until 7:30 p.m. so no excuse not to come out and see us. This year's event is again being sponsored by Golden Industrial Refrigeration (GIR) of Wales!

### Building Inspection/ Permits

As a rule of thumb, any work of a maintenance nature will not require a permit. However, building, remodeling, alterations or additions thereto, roofing, heating, air-conditioning, plumbing, electrical work, swimming pools, installation of wood burning heating systems, fences, decks, sheds, outbuildings, etc., will require a permit. Any questions regarding permits should be directed to Scott Hussinger at 968-6823.

### Highway 83 Construction

The Highway 83 construction project will be continuing into Spring of 2015. If you would like to be included on our update list, please forward your email address to [walesclerk@bizwi.rr.com](mailto:walesclerk@bizwi.rr.com). Information will also continue to be available in the Village newsletter, posting spots, the Kettle Moraine Index, etc. The most current updates, including road closings and detours, will be on the Village's website.

**BLOOD DRIVE**  
**NOVEMBER 10, 2014**  
**3:00 P.M. – 7:00 P.M.**  
**WALES GENESEE FIRE STATION**  
**600 S WALES ROAD**

It's a bird, it's a plane, no it is a blood donor! A real super hero for many people right here in our Community! All you have to do is roll up your sleeve and donate a pint of blood!

If you have ever thought of donating, please do. If you have any questions, please call me at the office, 262-968-3968. The actual donation will take about 10 minutes, but you will

need to set aside about 1 hour for the total donation. At the end you get something to eat & drink.

Before your donation, you should have a healthy meal and drink water to stay hydrated. Bring with you a photo id or your blood donor card.

The Wales Culver's has been a great community partner and has donated "Give a Pint, Get a Pint" coupons for all of our donors at the blood drive.

Please call me to schedule an appointment for the November 10<sup>th</sup> Blood Drive at the Wales Genesee Fire Station, 262-968-3968. Thank you, Pauline.

### Volunteer Opportunity

Every community is in need of residents who will volunteer their time. Wales needs your help.

We are looking for people to work on the Wales Summer Splash Committee. The Committee usually meets once a month. Members are needed to help make next year's event a success.

We are also in need of election inspectors to be appointed for a 2-year term to work the polls on Election Days.

If you are interested in any of these opportunities, please contact the Village Hall for more detailed information.

### Dog Licenses

Dog Licenses are available at the Village Hall. All dogs must be licensed by March 31st to avoid a \$5.00 late fee. Make checks payable to the Village of Wales. No late fee for new dogs. *Please remember to bring your dog's new rabies certificate with you if the previous one expired in the past year. Please fill out the information below and bring it along with your certificate.*

## Wales Recreation News

Wales Park and Recreation Department concluded a successful fall season of Soccer in October. We will resume again in April for the second half of the season. Participation for this season has increased to more than 185 players on 21 teams. Rosters for the fall are full and a waiting list have been created for possible opportunities to play in the spring.

The soccer program is made possible by the volunteer efforts of 45 head and assistant coaches and a three member soccer committee of administrators. We are in need of a couple additional Wales Soccer Committee (WSC) members to support the programs continued growth. Contact us at [recdirector@bizwi.rr.com](mailto:recdirector@bizwi.rr.com) if you are willing to help in any capacity.

Some of this year's teams have been sponsored by community businesses. The soccer program wishes thank the following businesses for their generous support – Wolf Paving, Cafe Buzzz, Town Bank, and Lakeside Fitness Fit Body Boot Camp.

Wales Soccer is open to community and non-community members, ages 4 to 14. The program is focused on participation, character development, good sportsmanship, instruction and enjoyment.

Thank you to all of the players and their parents for an enjoyable fall of rec soccer in Wales. Enjoy the winter break.

Neal Wiebelhaus

Wales Soccer Committee

## Wales Business Group

The Wales business group meets the 3<sup>rd</sup> Friday of each month at 8:00 a.m. at various locations in the Village of Wales. Please feel free to join them for updates on local events and business promotions. For more information or to find out where they are meeting, please contact Dan Hahn at U.S. Bank in Waukesha at 262-993-8653.

## Burning Ordinance

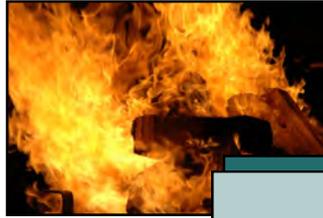

Burning of garbage and trash prohibited. No person shall burn garbage, paper, putrid materials, buildings or other structures, lumber, construction materials, or materials from razed buildings. The burning of dry brush, dry leaves, dry limbs, dry plant clippings, dry branches and dry logs is allowed subject to various regulations as listed in the Village's current burning ordinance. Burning days are as follows:

**November 15 – March 15:** Every day, 8 a.m. to sunset.

**March 16 – November 14:** Tuesdays, Thursdays and Saturdays, 8 a.m. to sunset.

Burning on any commercial, business or other property within the Village, except for residential, is hereby prohibited.

A full copy of the Village's burning ordinance can be found on the Village's website.

## Streetlights Burned Out?

The Village of Wales pays a monthly fee to WE Energies to provide electricity and perform maintenance on our Village streetlights. If you notice a light out you can either contact WE Energies directly by calling 1-800-242-9137 or online at [www.weenergies.com/night\\_aura](http://www.weenergies.com/night_aura). Please have the location of the pole and the pole number, which can be found on a metal tag on the pole. You may also contact the Village Hall at 262-968-3968 and we can forward the information to them.

## Single Sort Recycling, Coming to a Village near you soon

Changes are coming for residents of Wales, as we participate in the Waukesha County recycling program. In 2015 the County recycling program will convert from the current *dual stream* recycling to *single sort* recycling, which only requires residents to separate recyclables from trash and accepts all plastics (#1-7) along with paper, cardboard, aluminum, glass, tin and cartons.

These recycling program changes will include the delivery of new recycling and trash containers and different collection schedules; recyclables will be collected every two weeks and trash/garbage every week. More materials will be recycled and diverted from landfills, decreasing disposal costs and increasing the convenience of mixing all recyclables in one container. For more information on this big change, you can call Waukesha County Department of Parks and Land Use at 262-896-8300 or visit [www.waukeshacounty.gov/recycling](http://www.waukeshacounty.gov/recycling)

## Shred Event

The Village will host a shredding event free to all Village residents on Tuesday, November 18, 2014, from 11:00 a.m. to 1:00 p.m. in the parking lot of the Wales Village Hall, 129 W. Main Street. Proof of residency required to participate. For more information visit the Village's website.

## Snowplowing Season is Just Around the Corner

Reminder: Village Ordinances prohibit snow from private properties being plowed across or onto Village right-of-way. If you do either you may be issued a citation and/or assessed cleanup costs.

### Markers

If you wish to install snowplow markers on your property please adhere to the following guidelines: the markers must be flexible and/or breakaway (usually plastic or fiberglass). They should be set 10 to 20 feet apart. Metal stakes are NOT allowed. The Village is not responsible for any damage to private markers placed in the Village right-of-way.

### Mailboxes

The Village is not responsible for mailboxes that are damaged by snow load or ones that were already loose and knocked over by snow load. Check your mailbox and repair any loose, damaged or inadequately anchored ones. If the snowplow contractor hits your mailbox, please report it promptly to the Village Hall so that we can look into the damage.

### Miscellaneous Items

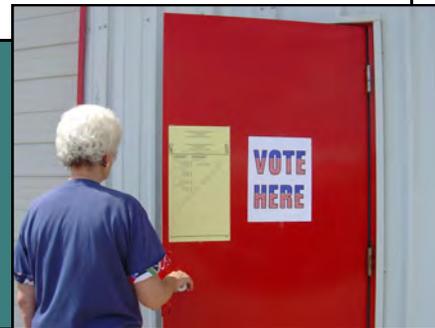

The Village is not responsible for and will not replace underground sprinkler heads, lamp posts or other obstacles located in the Village's right-of-way if damaged during normal plowing operations.
