

To the Residents of the Village of Wales:

Wolf Paving is pleased to be clearing snow for the Village again this year. We are dedicated to providing this service as safely and efficiently as possible. Please yield to our drivers as they clear the roads of snow. Our objective during plowing is to have one passable lane open to at all times. Please be aware that cars parked along the side of the road and residents blowing/plowing snow into the streets make our job difficult.

We are on call 24 hours a day, and are pleased to be working according to the new Snow Removal Policy published by the Village of Wales. Please direct comments and questions about our service to the Village of Wales
