SUMMER SPLASH PLANNING

DISCUSSION: After much discussion, Wales Summer Splash for 2016 has been canceled. Christopher Johnson suggested some alternatives that we could do as one day events. For the next meeting everyone should bring possible new event ideas.

POSSIBLE MEMORIAL TREE PLANTED IN WALES COMMUNITY PARK

DISCUSSION: The Wampner family had a death in their family would like to plant a tree in his memory. They would like to have it planted on the east side of the pond. At this time they are not asking for a memorial sign for the tree, but may at a later date. Chris could pick out a couple of options and let them decide which they would like. The tree would be planted next spring.

MOTION: Motion by Lyle Orwig to approve the planting of a memorial tree in Wales Community Park, as submitted, second by Neal Weibelhaus, motion passed unopposed.

UPDATE FROM VOLUNTEER SOCCER COORDINATOR

DISCUSSION: The Fall season is over and it was good. There were some issues with a couple coaches, which has been resolved. There is space to add kids in the spring. Neal has some coaches pictures that he would like sent out with the thank you cards in December. There has been issues with not having enough soccer refs and would like to look into what could be done to get more. There is a \$150 fee that has to be paid for the refs to get certified and being paid \$7 a game and can be hard to recoup that kind of money. Let's discuss if there is some way to help with this at the next meeting.
