It was noted that proper notice of this meeting had been posted in accordance with the open meeting laws of the State of Wisconsin.

DISCUSSION:

The Committee has decided to meet the 3rd Tuesday of every month starting at 6:30 p.m. Dee Nierzwicki was selected as the Chair. Pauline will get copies of the B3 and Sign Ordinances to everyone for the next meeting. The Lake Country Community Fest will be taking place at Kettle Moraine High School; Lake Country Community Fest is held every year to help local businesses get noticed in the area. The group wondered if we could get a survey or "feedback" together to give to the businesses. The feedback could help give valuable information on what businesses are looking for in a location. Dan Hahn will check to see if we can pass this out at the event. Everyone should submit some questions that they would like to see on the feedback. Things to look at; when the redevelopment of Highway 83 happens in 2013, there could be an increase of traffic in the HVC area, which could help the businesses. Jim Bauer will be working on the commercial areas that are sale or rent in the HVC. The Deputy Clerk will get the breakdown of businesses versus homeowners, and a map that highlights the Historic Village Center.
