

SPECIAL HISTORIC VILLAGE CENTER MEETING JUNE 15, 2010

Attendees: Dee Nierzwicki, Richard Kummrow, James Bauer, Carl Millard, Scott Curty, Jeff Roth, John Meyer, Dan Hahn and Deputy Clerk Wigderson.

It was noted that proper notice of this meeting had been posted in accordance with the open meeting laws of the State of Wisconsin.

DISCUSSION:

The DNR does not want a footpath from the Glacial-Drumlin Trail to the wooden bridge, because they are worried that it could be a problem with bike traffic and cause accidents. However the DNR would not mind some small development along the trail, such as a popcorn wagon or a train car for seating area. This could be an option to look into in the future.

Scott will be working on the survey to send to the businesses. He has looked into using Survey Monkey. Pauline has suggested that they use the Village's survey link. Scott will stop by the Village Hall and take look to see if it can be used. Everyone should work on some questions that they would like to see on the survey.

Things to work on: walking tour, design guidelines, sidewalk/lighting/signage recommendations, and handout for developers.
